Exhibitors and Montana Society of Pathologists (MSP) agree to abide by the ACCME Standards for Commercial Support (SCS) of Continuing Medical Education policies.

In accordance with the ACCME – 4.2:

“Product-promotion material or product-specific advertisement of any type is prohibited in or during CME activities. The juxtaposition of editorial and advertising material on the same products or subjects must be avoided. Live (staffed exhibits, presentations) or enduring (printed or electronic advertisements) promotional activities must be kept separate from CME.”

For print, advertisements and promotional materials will not be interleaved within the pages of the CME content. Advertisements and promotional materials may face the first or last pages of printed CME content as long as these materials are not related to the CME content they face and are not paid for by the commercial supporters of the CME activity.

- **For computer based, advertisements and promotional materials will not be visible on the screen at the same time as the CME content and not interleaved between computer ‘windows’ or screens of the CME content**
- **For audio and video recording, advertisements and promotional materials will not be included within the CME. There will be no ‘commercial breaks.**
- **For live, face-to-face CME, advertisements and promotional materials cannot be displayed or distributed in the educational space immediately before, during, or after a CME activity. Providers cannot allow representatives of Commercial Interests to engage in sales or promotional activities while in the space or place of the CME activity”**

EXHIBITOR may distribute promotional materials at their exhibit space only.

MSP reserves the right to refuse exhibit space to EXHIBITOR in the event of nonpayment or Code of Conduct violation.

Thank You!
